- Steel and Galvanized Nipples
- Plumbing Specialties

CRANE

PUMPS & SYSTEMS

- **Barnes** – Wastewater Solutions
- **Deming** – Industrial Pump Equipment
- **Burks** – Regenerative and Inline Pumps
- **Crown** – Self-Priming Pumps
- **Prosser** – Dewatering Pumps
- **Weinman** – End Suction Pumps and Condensate Return Systems

- Trench Drain, 2-in. to 48-in. Plus Custom Engineered
- Grates, All Class and Load Ratings
- Slot Pipe Through 36-in. Diameter
- Installation Services

- Horizontal Split Case, End Suction, and Frame Mount Centrifugal Pumps
- HVAC Circulator Pumps
- High Temp Condensate Pumping Systems
- Vertical Suspended Pumps

- Booster Pump Systems for Potable Water, HVAC, and Industrial Process Applications
- ASME Pressure and Expansion Tanks
- Heat Exchangers
- Wastewater Pumps and Vertical Turbine Pumps

- Booster Pumps and Systems
- End Suction, In-Line, Close Coupled, and Frame Mount Centrifugal Pumps
- Condensate Pumps
- Controls and Drive Systems
- ANSI Pumps

- Polyethylene and Polypropylene Tanks to 50,000 Gallons

- Water Filtration and Treatment Equipment
- Well Pumps, Tanks, and Accessories
- Ultraviolet Sterilization and Reverse Osmosis Drinking Water Systems

- Yard Hydrants
- Well Caps, Well Casing Seals, Tank Tee's, Gauges, and Well Accessories
- Boiler Drains, Sampling Valves, and Float Valves
- Pressure Switches, Heat Shrink Tubing, Wire, and Submersible Pump Insert Fittings
- Well Points, Lubricants
- Pump Rod, Sediment Filters, Flow Control Valves, Ball & Foot Valves
